Your order no.	_____

Sensor type: _____

Serial no.: _____

Sensors often come into contact with hazardous substances. Therefore, before we can proceed with your order, we request you to confirm in writing that the above mentioned sensor(s) do **not** pose a health risk to staff and contamination of our equipment can be ruled out.

Please give detailed information of safety measures to be taken in the case of sensors which have come into contact with hazardous substances and therefore pose a health risk.

Health hazard: **YES**

NO

Necessary safety measures:

For staff safety reasons, we reserve the right to refuse to carry out further work on contaminated instruments.

Please understand that we cannot proceed with your order until this declaration has been completed and returned!

By signing this document you are confirming that the information given above is correct.
